Funeral Services For John W. Mullis

Services for John Walter Mullis, prominent young Pahokee businessman who died after a year's illness Tuesday at Miami, was conducted at 10 a. m. Thursday in the First Baptist Church, Pahokee, of which he was a member.

The Rev. Hal Hunter, pastor of the church, officiated. Burial was in Hillcrest Cemetery, West Palm Beach, where Elks lodge 1638, of which he also was a member, conducted graveside services.

Other groups in which Mr. Mullis, who was 29, held membership were the Lions Club and American Legion Post 90. He served three years in the Army and Air Force in World War II.

Mr. Mullis was field assistant for the Equitable Life Assurance Society. A native of Ft. Lauderdale, he moved to Pahokee with his parents in 1929.

He is survived by his wife, Mrs. Joan McCarty Mullis; a son, John Walter, Jr., about 3; father, L. Morgan Mullis and stepmother, Mrs. Irene Mullis; sister, Mrs. Don (Marie) Coe; three brothers, Danny and Chester, all of Pahokee, and Capt. Leonard Mullis, Ft. Worth, Tex.; and two nieces and a nephew.

Active bearers were Robert Phillips, James Stafford, J. Elarbee, James Gibson, J. Jones and Frank Gray. Members of the Pahokee Legion Post 90 and the BPOE Lodge 1638 were honorary bearers.

Berry Funeral Home, Pahokee, was in charge.

Young Riffey On Escort Patrol Craft

Truman J. Riffey, quartermaster third class, USN, of Mr. and Mrs. Edward L. Riffey of Canal Point, Fla., is serving aboard the escort patrol craft USS 882. The 882 is under the operational control of Rear Admiral F. S. Withington, USN, Commander Naval Amphibious Forces in the Far East. During amphibious operations, the patrol craft act as guides for the troop and supply laden assault boats. They escort the boats to the landing departure line.

Howard Announces Blue Devil Lineup

The residence of Mr. and Mrs. William D. Howard on East Main Street was threatened by fire around 9:30 p. m. Monday when the wooden floor joists beneath the fireplace ignited.

Because of the cold weather the Howards had kept a roaring fire going in the fire place all day and although they smelled smoke during the evening they were not alarmed until they let the fire in the fireplace die down before retiring for the night and the scent of smoke became stranger. Mr. Howard went outside to investigate and discovered dense smoke billowing out from underneath his house beneath the fireplace. Soon after Fire Chief Marvin Levins and his volunteer firemen had the fire out before it could break through the floor.

Construction Of Glades Bridges Is Deferred 6 Months

Dan McCarty's State Road board in its first official meeting Wednesday voted to defer construction of several million dollars worth of roads and bridges. Among the deferred projects were two vitally important to the Glades—6 mile bridge and Canal Point bridge. The board deferred many other projects in its first meeting and the two Palm Beach County projects amounting to \$357,111.00 were among those to be held up for the 6 month period.

T. W. Jenkins In Serious Condition

T. W. Jenkins is in a serious condition at the Everglades Memorial Hospital where he is in an oxygen tent and receiving treatment for a heart ailment and injuries received in a car accident the first of the week. The accident occurred early Monday morning in Canal Point when Mr. Jenkins suffered a heart attack and the car he was driving crashed into a road tree. The impact broke the front wheel resulting in a fire which was the extent of which injuries because Mr. Jenkins' condition has been too critical for pictures to be taken to date.

Bookkeeping Course Offered Adults

The 36-hour course in bookkeeping to be offered this winter to adults in the Pahokee-Canal Point area will start in Pahokee High School Tuesday evening, Jan. 13, instead of Jan. 12 as previously announced, according to Principal Clyde A. Canipe. Thereafter, classroom sessions will be held at the high school from 7:30 to 9:30 p. m. on Tuesday and Thursday nights until the course is completed. Mrs. Sable Wolcott, commercial studies teacher at the high school, will be the instructor. Persons interested in taking the course are asked to register immediately at the high school office.

There will be a \$2 registration fee, otherwise the course is free. Persons interested in registering are asked to register at the High School office immediately. Anyone 16 years or older who is not attending high school is eligible to take the course, according to Mr. Canipe.

PVT. STANLEY BASS RECEIVED DISCHARGE

Pvt. Gordon Stanley Bass received an honorable discharge from the U. S. Army after 27 months of service on Jan. 3 at Fort Jackson and arrived in Pahokee on Tuesday, for a visit with his mother, Mrs. J. W. Carver, and other relatives. Pvt. received his basic training at Fort Sill, Okla., and served with B Battery, 40th Infantry Division, for 14 months on the front lines in Korea. He was in the service 27 months.

The Admiral Corporation predicts that when television is available nationally it will provide a market for 5,000,000 sets a year.

Canal Point PTA In Regular Meet

The Canal Point Parent-Teacher Association at a meeting in the school auditorium Monday night, with Mrs. R. T. Smith, president, presiding, went on record as recommending Mrs. Pope Sears, a past president of the Canal Point PTA, for the office of school trustee to fill the vacancy left by the resignation of Henry Earwood.

A balance of \$174.56 was reported in the PTA treasury and the group voted to complete final payment on the film projector which was purchased for the school. Mrs. C. L. Stuart read a message from the State president.

The attendance banner for January was awarded to Miss Eula Snyder's third grade room.

The Rev. James R. Roy presented the program which featured a panel discussion of "Fighting Answers to Six Charges Against Florida Schools", with both parents and teachers taking part in the discussion.

Mrs. E. F. Hollon, Mrs. Pope Sears and Mrs. R. T. Smith acted as hostesses during the serving of refreshments during the social hour following the program.

John A. Elbon To Represent C of C

John A. Elbon, Pahokee banker, was named by the executive board of the Pahokee Chamber of Commerce at a meeting Monday night as counselor and delegate to represent the local chamber at the annual meeting of the National Chamber of Commerce. Mr. Elbon was also appointed to work with the National Chamber on new proposed policies for national social security.

The filling in of, the unsightly dead-end canal bordering Lake Ave. south of Ixora Park was discussed at the meeting. Elsworth Keen, one of the chairmen in charge of raising funds for this project, reported he has pledges of \$260 to be used on this project. It was pointed out at the meeting that this is an excellent time to obtain much fill while excavations are in progress on the extension of State Road 717 south from Bacon Point. Since the city does not have enough trucks to get this work done, an appeal is being made for the loan of private trucks.

The group voted to urge the City Council to have Lake Avenue paved from Main Street over the levee to the municipal pier, this being a popular route for tourists in search of a scenic view of Lake Okechobee and it is also the main approach to the pier.

Rep. B. Elliott was authorized to send necessary information to the Palm Beach Port of Authority regarding the location of the proposed breakwater for the municipal pier, which is the chamber's number one project for 1953.

The group voted to investigate the possibility of securing the cooperation of other Glades towns in the joint sponsorship of an up-to-date business directory covering (Continued on page 4)

NEW GOVERNOR

DAN MCCARTY

Dan McCarty Takes Over As Governor

TALLAHASSEE—Dan McCarty took over the governorship of Florida Tuesday from the man who beat him in 1948 and promised a "good government housecleaning" to eliminate "dirt, rust and corrosion which have accumulated in the corners and dark closets."

"Ours will not be an administration of 'sounding brass or tinkling cymbal,' nor one tainted with any kind of dishonesty," McCarty told some 7,500 persons who gathered here for his inauguration at noon, when the formally replaced outgoing Gov. Fuller Warren.

Warren, one of the state's most controversial governors, said in a parting speech that Florida is in its soundest financial shape in history, with a "tremendous surplus" of \$21,500,000 in the treasury.

Warren and McCarty—wearing grey pants, tails and top hats each had kind words for the other, but as the 40-year-old Fort Pierce citrus grower-cattleman took the oath of office from Chief Justice H. L. Sebring of the State Supreme Court, he said:

"I want us to have a good government housecleaning, the kind all good housekeepers know they should have at home from time to time."

"This doesn't mean that all the furniture and furnishings should be broken up and thrown out the window. But it does mean a good airing out and that the dirt, rust, and corrosion, which have accumulated in the corners and dark closets must go."

After the oath was administered, Warren, a private citizen again, slipped away unnoticed in the crowds waiting to shake hands with the new governor. He and Mrs. Warren left immediately by automobile for Jacksonville.

Experiment Work Explained To Lions

The work of the Everglades Experiment Station in its unceasing efforts to breed new varieties of corn more adaptable to climatic and soil conditions of the Glades area was explained to members of the Pahokee Lions Club by Frank Stevenson at the club's Tuesday luncheon meeting.

The speaker, a member of the staff at the Experiment Station, said at the present time the development of hybrids from corn imported from Ecuador shows promise. The station is working on both commercial sweet corn and field corn hybrids, according to Mr. Stevenson. He was introduced by Edward A. Jensen, program chairman, President James W. Vann presided.

The new Biological Research Laboratory at Marineland will be used by visiting marine biologists in many phases of study that relate to present "mysteries of the deep."

Advance reservations for the Club House at Hialeah Race Course indicate that this famed track will have another record-breaking season this year.

Howards' Home Threatened By Fire

Coach Bill Howard has announced the starting Blue Devil lineup for the opening game of the basketball season at Belle Glade this Friday evening. Howard is starting Harry Levins and Tommy Elliott at forward positions; Lewis Pope, center; Eugene Caruthers and Danny Mullis, guards.

Danny Mullis has been designated as captain for the Blue Devils in opening contest with the Golden Rams. Since Howard lists only two substitutes, Jon Pope and Milton Wilson, on the A team, the Rams are favored to win because of the Blue Devils' lack of reserve strength.

Band Members To Participate In Clinic

Three members of the Pahokee High School Band will participate in the All-State Senior Group Band Clinic to be held in Tampa Jan. 8-10 by the Florida Bandmasters Association, according to Bandmaster Robert O. Lampi. They are Robert Hatton, cornet; Eleanor Walker, bass clarinet, and John Rogers, sousaphone. The trio will also play in the All-State Band at the clinic. Mr. Lampi is secretary-treasurer of the Florida Bandmasters Association and will attend a FBA executive board meeting while the clinic is in progress.

The 54-piece Pahokee Band has started practice under the direction of Mr. Lampi for its first free public concert of the winter season to be held in the high school auditorium Sunday, Jan. 18, at 3:30 p. m.

The band has accepted an invitation to take part in the annual Fiesta Del Sol parade in Lake Worth Thursday evening, Jan. 22.

UNDERWENT SURGERY

Cathy Boynton, small daughter of Mr. and Mrs. Joe Tom Boynton, underwent surgery at the Everglades Memorial Hospital this week in treatment of her hand which was injured recently when it was caught in an electric ironing machine.

Expenditure for aircraft can be expected to continue rising in 1953, according to Aviation Week, McGraw Hill publication.

New Chevrolet Is On Display Today

Expanded to include a third series of cars, and boasting more significant advances than ever incorporated in a model in the low-price field, the widely discussed new Chevrolet make their first public appearance at dealer showrooms tomorrow (January 9).

For the 1953 market bodies have been completely re-designed. All cars have increased power, with special emphasis on a new power train that includes a new engine and improved automatic transmission. In performance, in economy, in driving and riding qualities, exterior and interior appointments, the latest Chevrolet models contribute importantly to automotive progress.

Features of the new cars range throughout the bodies and chassis. Of major interest:

1. The entirely new series, to be known as the Bel Air and credited with being the most luxurious models in Chevrolet history. To be produced as two and four-door sedans, a convertible and sport coupe, the Bel Airs are included in the choice of 16 Fisher body types. Other passenger car series are designated as the "Two-Ten" and "One-Fifty."

2. A new 115-horsepower "Blue Flame" engine and a refined Powerglide automatic transmission re-engineered for greater operating economy and faster pickup. The so-called "standard" engine also moves up to 108 horsepower, a gain of 17.4 per cent over 1952.

3. Two Chevrolet "firsts" in the low-price automotive bracket are registered in optional equipment available on all cars. Power steering, which reduces manual effort yet maintains traditional steering safety, makes its debut. The second innovation is the Autronic Eye, an electronic mechanism that automatically lowers headlamps for passing.

4. Roomier and stronger bodies with greatly expanded visibility.

NOTICE TO PAINTING CONTRACTORS

Sealed bids will be received in the office of the Florida Department of Public Safety, Martin Building, Tallahassee, Florida, on or before 10:00 A. M., EST, January 12, 1953, for painting of exterior and interior of Florida Highway Patrol Station, Pahokee, Florida. "Kyanize" paints or paints of equal quality approved by the Department to be used. Bids must specify brands by name.

Specifications may be obtained at Florida Highway Patrol Station, Pahokee, Florida.

A certified check for \$200.00 payable to the Florida Department of Public Safety must accompany each bid. The right is reserved to reject any or all bids.

Increased Performance in New Chevrolets

The low, sweeping lines of the 1953 Chevrolets are exemplified by this four-door sedan in the "Two-Ten" series, which this year offers increased performance, comfort and convenience in addition to a complete re-design. Apparent in

this view are the enlarged front and rear vision, new fender and hood contours and a fresh grille treatment that enhance the rugged beauty of the cars. Four-door sedans are also available in the "One-Fifty" and the new Bel Air series.

and almost one-fourth more luggage space. Trunk lid openings have been enlarged and deepened. The sill is now at virtually trunk floor level as an aid to luggage loading.

5. An array of convenience items including key-turn starting, crank-type front door ventipane controls

10 two-tone combinations. Two-tone interiors harmonize with the selection of exterior colors in many of the cars.

Mr. and Mrs. Marvin Vandegrift had as holiday guests her mother, Mrs. McCutchen; also Trina Vandegrift of Lake City, S. C.

Mr. and Mrs. Albert Gant had as holiday guests their son-in-law and daughters, Mr. and Mrs. Cecil Williams and family of El Paso, Texas, and Mr. and Mrs. Archibald Adams and family of Alamo, Ga.; also their son, George Gant, of El Paso.

Best way to control wireworm on corn, sugar cane and sweet potatoes

aldrin

Aldrin—approved by agricultural authorities for control of certain soil pests—has established a fine record for wireworm control on sugar cane, corn and sweet potatoes.

Easy-to-use aldrin can be applied to soil in two ways:

1. Apply aldrin directly on the ground, as dust or spray, and harrow it in when preparing seed beds.
2. Have your supplier mix aldrin with your fertilizer and apply with conventional row treatment.

Using either method aldrin is applied in small amounts . . . it's economical. Aldrin gets other insects at the same time. It controls rootworm and other pests . . . is now approved for controlling wireworm on sweet potatoes.

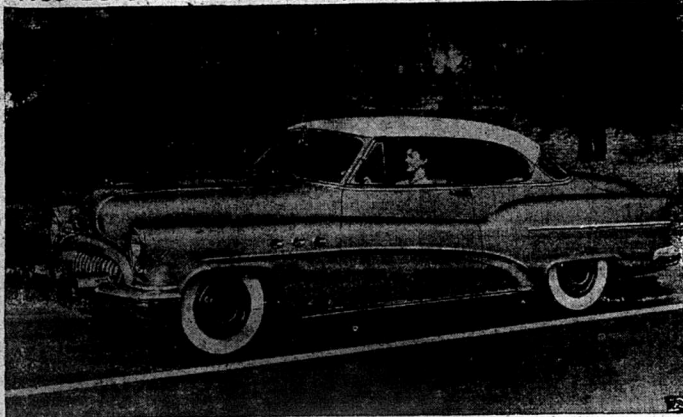

Make your next crop a profitable one, free of wireworm and other destructive insects . . . use aldrin before planting. Your dealer will be glad to give additional information.

1953 BUICK—NEW POWER, PERFORMANCE, STYLING

Buick introduces for 1953 a Golden Anniversary line of cars with outstanding engineering developments which include the world's newest V-8 engine and an advanced Dynaflo transmission. Pictured above is the two-door, six-passenger Riviera in the Super Series, most popular hard-top in the Buick line. Its new engine, leader of all V-8s, turns up 170 horsepower with a compression ratio of 8.5 to 1. The new Twin Turbine Dynaflo gives it vastly improved performance and greater economy with no sacrifice of Buick's completely smooth acceleration. It has a re-styled front end incorporating a sturdier grille, two-piece bumper, and a futuristic headlight arrangement. A new alligator-type hood, long-flowing body lines, new moldings and ventipoints, and horizontal rear fenders with bullet-shaped tail lights, give the car an ultra-modern, sleek appearance. The interior features fresh new colors and tasteful trim. Its wheelbase is 121½ inches and offered as optional equipment are wire wheel covers and power steering.

Officials of Florida Citrus Mutual and the Florida Citrus Exchange say the U. S. Department of Agriculture forecast of a shorter citrus crop for 1952-53 should mean higher prices for the fruit grower.

Kennel Club Open In West Palm Beach

Largest crowd in the history of dog racing in the Palm Beaches was on hand Saturday night at the Palm Beach Kennel Club when the curtain went up on the 21st season of greyhound racing at the beautiful Belvedere Road oval.

General Manager Berlin Griffin predicts the largest turnout in track history but parking will present no problem to racegoers since the huge, paved parking lot has been enlarged and now will handle over 3,500 vehicles. A 40 foot extension to the mezzanine floor, installation of new mutual windows, and the new downstairs tropical patio will enable the track to accommodate additional hundreds. The daily double this year will

be made up of the first and second races. Post time for the first race remains 8:15.

William Sinot, track secretary and treasurer, reports that requests for reservations in the clubhouse are pouring in from all parts of South Florida. Reservations may be made by telephone at 3-4611.

S-Sgt. Leland Hughes, veteran of the Korean War, is spending a 30-day leave with his parents, Mr. and Mrs. D. P. Hughes, at Bryant. Sgt. Hughes joined the Army shortly after graduating from Pahokee High School in 1950 and during his two years of service in the Army Engineering Corps has spent 14 months in Korea. He will report back for duty at Fort Jackson on Jan. 22.

A Good Citizen of The Everglades

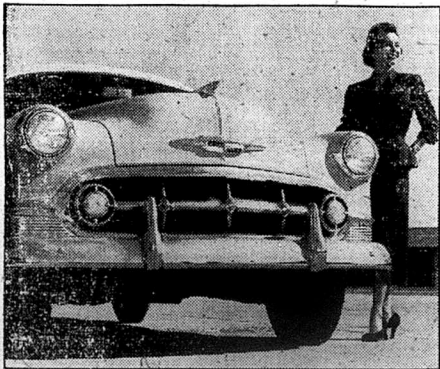

Have you ever thought about the part your Telephone Company plays in the life of this Community, the State and the Nation? Here are some things it does:

1. Pays good wages to its employees—money that is spent largely in the employee's home town.
2. Pays large amounts in taxes that go to support government, education and public institutions.
3. Takes part, both as a Company and as individuals, in many worthwhile civic endeavors.
4. Provides the best possible telephone service at the lowest possible cost.

Accepting the responsibilities of citizenship, we believe, is an important part of good telephone service to this community.

Smart Styling of '53 Chevrolets

Front-end styling of the completely re-designed Chevrolets accentuates the appearance of power and fleetness in the new line. As shown above, the surface of the hood this year extends farther forward before curving abruptly down to the radiator grille. Adding its note of beauty and distinction, the outer rim of the grille encircles the parking lamps and center bar mounting three decorative "prop bars." Increased performance, comfort and convenience are outstanding features of the 1953 Chevrolet line.

Jacqueline Berry Weds W. Lee Rawls

The wedding of Miss Jacqueline Berry, daughter of Mr. and Mrs. Sam Berry of Pahokee, and Pvt. William Reeves Rawls, U. S. Army, Camp Rucker, Ala., son of Mrs. Maribelle Rawls, Pahokee, and W. Lee Rawls, Tampa, was solemnized at a double ring, candlelight ceremony held in the Pahokee First Baptist Church Saturday, Jan. 8, at 8 p. m., with the Rev. W. Hal Hunter, pastor, officiating.

The church altar was decked for the event with arrangements of pom-poms and white gladioli against a background of potted palms and was lighted by cathedral tapers in three sets of candelabra.

The program of nuptial music was presented by Miss Clark Womack of Belle Glade, pianist, and her brother, Clark Womack, soloist, who sang "Because" and "I Love You Truly," also "The Lord's Prayer" while the couple knelt at the altar.

The bride, given in marriage by her father, wore a full-length white satin gown and the fitted bodice of lace over satin had a sweetheart neckline with a net yoke. The gown was fastened with seed pearl buttons and the long sleeves were pointed at the wrist. Her fingertip illusion veil was attached to a headpiece of flowers. Around her neck was a single strand of pearls and she carried a white carnation bouquet centered with a white orchid.

All of the bride's attendants wore gowns of iridescent taffeta in various pastel hues, identically styled with full skirts and fitted bodices. Their headpieces were designed of flowers and they carried white carnation nosegays.

Mrs. Rodney Connell of West Palm Beach and Mrs. David Benne of Lakeland served as bridesmaids; Miss Linda Cowart of Canal Point, cousin of the bride, Miss Donna Jo Spooner of Pahokee and Miss Patti Ingram of Belle Glade, bridesmaids; and Ruthelle Vandegrift, small daughter of Mr. and Mrs. Marvin Vandegrift of Pahokee, flower girl.

Fritz Stein, Jr., of Belle Glade was Pvt. Rawls' best man. James Sims of Canal Point, Lou Walker of Fort Mayaca, Rodney Connell of West Palm Beach and Billy Booker of High Springs, Fla., acted as ushers.

The bride's parents were hosts at a reception in the Woman's Club building following the ceremony. The clubhouse was decorated with gladioli, fern and tropical greenery. Mrs. Ray Whitlock served portions of the wedding cake while Mrs. Charles Morris and Mrs. W. S. Ingram presided at the two punch bowls. Mrs. C. R. Wetherington, Jr., was in charge of the bride's book.

Mrs. Berry chose for her daughter's wedding an aqua taffeta dress of ballerina length with rhinestone trim and a corsage of pink camellias. Mrs. Rawls, the bridegroom's mother, wore rose taffeta with black accessories and an orchid corsage.

Following a wedding trip to Key West, Pvt. Rawls will return to Camp Rucker where he will be joined later by his wife.

Baxton W. Wood, former Pahokee resident now living in Jacksonville, visited friends here the past week.

Cinematic Chatter

By Malcolm Millar

Hello everybody! Bud Abbott and Lou Costello finished their 17th year as a comedy team and their 30th film together when they completed their latest release "Lost in Alaska." Twelve years ago straight man Abbott and roly-poly Costello knocked on Hollywood's gates and were hired by Universal Studio for comedy roles in "One Night in the Tropics." Public reaction was terrific and the studio immediately signed them to a long-term contract to start what was to become one of the longest records of a comedy team's success in film history. Bud and Lou's partnership is based on a simple formula of laugh-provoking antics—they always get in trouble and then just barely get out—with Abbott playing it straight and Costello taking the falls. In backtracking to the original details of the lives of these two funniest men on the screen

and radio, one traces very distinctive and divergent paths which the pair followed up to the blending of their two careers. Abbott was born under a Barnum and Bailey circus tent, his father being an advance man and his mother a bare back rider. He went to school at the usual age, and left at the age of fifteen to become a sailor. Then he became a box-office cashier in a burlesque theatre, and the astrological aspect which takes care of burlesque performers had Bud in its grip from then on. Costello was born in Patterson New Jersey. After high school, where he participated in sports, Lou took to prize fighting for a while. Some kidding say this is where he became "punchy", Costello lost interest in boxing when he found out one always takes at least as much as he dishes out. Lou then went into the theatre and there he found himself as a comedian. Later he met Abbott and this great comedy team was formed. See you at the movies—Mal.

Mrs. Minnie L. Hughes has returned from a holiday visit with her nephew and niece, Mr. and Mrs. L. T. (Sparky) Quattlebaum and family in Jacksonville.

World's newest V8 powers BUICK'S GREATEST CARS IN 50 GREAT YEARS

Television treat—the BUICK CIRCUS HOUR—every fourth Tuesday.

**WHEN BETTER AUTOMOBILES ARE BUILT
BUICK WILL BUILD THEM**

On Display January 9th

LAKE BUICK CO., Inc.

Phone 2088

Belle Glade, Fla.

HERE you see pictured the Golden Anniversary ROADMASTER—engineered, styled, powered and bodied to be fully worthy of its paragon role in this fiftieth year of Buick building.

A quick listing of simple facts will reveal just cause for celebration.

- ★ It has the world's newest V8 engine. Vertical valves; 12-volt electrical system; 180 pounds lighter; entire engine is so compact, a new, more maneuverable chassis has been built around it.
- ★ It has 188 Fireball horsepower. A new Buick record; engine horsepower per pound increased 40%.
- ★ It has a compression ratio of 8.5 to 1. Highest compression on the American scene today; bettered fuel economy.
- ★ It has a dynamic-flow muffler. For the first time in automotive history, a muffler with zero power loss.
- ★ It has a new Twin-Turbine Dynaflo Drive. Now adds far swifter, quieter, more efficient getaway to infinite smoothness at all speed ranges.
- ★ It has new braking power. Most powerful braking action of any Buick in fifty years; plus the new ease of Power Brakes, optional at extra cost.
- ★ It has a still finer ride. The softest, steadiest, most buoyantly level ride that Buick's advanced engineering has yet produced.

It has, also, wondrous handling ease, with Power Steering as standard equipment. It has superb comfort. It has sumptuous fabrics and tailoring. And its acoustics are so thoroughly mastered that it may well be one of the world's most quiet cars.

But no listing of facts can do true justice to this phenomenal automobile, or to its brilliant brothers, the 1953 SUPERS and SPECIALS.

And no words can really tell you the beauty you see, the comfort you feel, the excitement you experience—when you look at and drive any one of these big, beautiful, bounteous Buicks for 1953.

Will you come in and see for yourself that these are, in simple truth, Buick's greatest cars in five brilliant decades?

Equipment, accessories, trim and models are subject to change without notice.

Christian Science Group Of Canal Point

The imperative need that followers of Christ Jesus dedicate themselves to humble obedience to God is the keynote of services in Christian Science churches Sunday when the subject is "SACRAMENT".

A verse from I Corinthians (10:16) supplies the Golden Text: "The cup of blessing which we bless, is it not the communion of the blood of Christ? The bread which we break, is it not the communion of the body of Christ?"

Bible passages include: "As the living Father hath sent me, and I live by the Father: so he that eateth me, even he shall live by me" (John 6:57).

Corresponding references from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "His true flesh and blood were his Life; and they truly eat his flesh and drink his blood, who partake of that divine Life" (p. 25).

Nazarenes To Hold Evangelistic Services

Evangelistic services open Jan. 13, 1953 in the local Church of the Nazarene at the local Church of the Nazarene at Pahokee, 75 Bacom Point Road, with Reverend Arthur E. Kelly of Columbia, So. Carolina, as the special speaker, according to James B. Tripp the local pastor. The Reverend Kelly has been an active minister in the Church of the Nazarene for more than twenty years. During this time he served for three years as pastor at Irvine, Kentucky, and for three years as District Superintendent of the So. Carolina District. The remainder of the time he has given to full time evangelistic work where he has been highly successful. Mr. Kelly attended Trevecca Nazarene College in Nashville, Tennessee.

In addition to his preaching, the Reverend Kelly makes good use of his musical talent in his services. A special feature of his campaigns is to get people to attend who have never before been in a service of The Church of The Nazarene.

Canal Point WSCS Held Monthly Meet

Mrs. D. R. Hall presented the program, "The Modern Samaritan," at the January meeting of the Canal Point Methodist Woman's Society of Christian Service held in the parsonage Tuesday afternoon, with Mrs. Earl Maxson, president, presiding.

Plans were made for a study of the mission study book, "These Rights We Hold," to be held in the near future, Mrs. J. P. Parker to be in charge of arrangements.

It was announced a series of studies of "Along the African Path" will be conducted by the Rev. James R. Roy, pastor, on Sunday evening, dates to be announced. A Christian Social Relations Seminar to be held in Fort Lauderdale Feb. 10 was also announced.

Mrs. Pope Sears reported the Canal Point WSCS has presented a year's subscription to the Reader's Digest to the Everglades Memorial Hospital. Mrs. A. R. Harrington reported WSCS netted \$170 from its Christmas card sales project. Contracts for furnishing the pulpit of the new church building, a WSCS project, have been signed, according to a report given by Mrs. Boyd Vorhees.

Mrs. Oliver Hatfield and Mrs. Elmer Maxson were welcomed as new members by Mrs. James R. Roy, membership chairman.

Mrs. John Harrington acted as hostess during the serving of refreshments at the conclusion of the meeting.

Mrs. D. E. Timmons Spoke At WSCS Meet

Mrs. D. E. Timmons, well-known Belle Glade business woman, was guest speaker at the January meeting of the Pahokee First Methodist Woman's Society of Christian Service held in the church auditorium Monday night with Mrs. James H. Wilson in charge of the program for the Mary Martha Circle.

Mrs. Timmons spoke on "Native Customs in Ecuador," illustrating her talk with colored slides which were reproduced from photographs she and her husband took last summer while she was visiting him in Ecuador where he is working in connection with the United States Four-Point Program.

At the business session Mrs. Arch Blakey, president, called

upon circle chairmen for reports of circles activities through December. Mrs. Hugh Branch gave a report on the dinner served by the local WSCS at the district conference held recently in Pahokee.

Mrs. Clyde A. Canipe, missionary education chairman, announced a midwinter jurisdictional class on "Africa" will be conducted at the church Jan. 26-29, with classroom study sessions to be held each night from 8 to 8:30 o'clock. Several films have been secured for this study course and Benjamin Roberts of Canal Point will be one of the principal speakers, according to Mrs. Canipe.

The attendance pin for January was awarded to the Mary Martha Circle. Mrs. J. M. Elliott led the group in prayer and Mrs. R. L. Brooks presented the devotional program on "The New Year." Members of the Mary Martha Circle acted as hostesses during the serving of refreshments at the conclusion of the meeting.

Mr. and Mrs. Billy Rooker have returned to High Springs after spending the weekend in Pahokee during which they attended the wedding of her cousin, Billy Rawls.

R. A. Burch Dies Of Gunshot Wound

Funeral services for Roger A. Burch, 55, murder victim, were held at the chapel of Berry's Funeral Home in Pahokee Tuesday at 2 p. m., with the Rev. W. Hal Hunter, pastor of the First Baptist Church officiating.

Mr. Burch, manager of the grocery store at the Vandegrift-Williams Farms labor quarters on Section 29, was shot in the head by Sammie Lee Wright, 17-year-old Negro, in the store room at the rear of the store around 7 p. m. Saturday and died at the Everglades Memorial Hospital at 12:45 a. m. Sunday. Officers who investigated the case reported Wright, evidently planning a robbery, was discovered by Homer Barnes, who was helping Wright in the store Saturday, under Wright's bed in the room at the rear of the store. While investigating the Negro's presence Burch allegedly was shot by Wright in the head with a .25 caliber bullet from a gun stolen from the storekeeper by Wright earlier in the week on Monday.

Wright was apprehended at 10 a. m. Sunday in the Pahokee Negro section 13 hours after the shooting following a tip to Constable Francis Cross. When arrested it is reported by officers he was asleep in bed with the .25 caliber death weapon and a .22 caliber pistol under his pillow. Assisting Constable Cross with the arrest were Pahokee Police Chief Leon Guthrie and Officer George Johnson; also Deputy Sheriff Robert Newman.

Wright was taken to the County jail in West Palm Beach and on Monday he was indicted on a first degree murder charge by a grand jury.

Mr. Burch is survived by a sister, Mrs. C. E. Turner of Bessemer, Ala., and two brothers, Joe and Fred Burch, both of Georgiana, Ala.

The body was sent to Georgiana, Ala., by Berry's Funeral Home for burial.

LIONS SEE COLOR SLIDES

T-Sgt. David A. Fugett, a member of the Air Rescue Squadron stationed at Canal Point, showed colored slides of scenes in Montana and Canal Point at the dinner meeting of the Canal Point Lions Club Monday night. He was introduced by the Rev. James R. Roy, program chairman. President Albert Fremd presided.

Canal Point Exceeds 1951 Contribution

Late returns have boosted the total of the annual Christmas Seal Sale to \$24,995.10, according to A. Parlo, Tarrant County Seal Sale chairman of the Palm Beach County Tuberculosis and Health Association. Mr. Bryant pointed out that it is not too late to reply to Christmas Seal letters, although the drive ended officially Christmas Day.

Contributions from towns throughout the county are as follows: West Palm Beach, \$9,956.21; Palm Beach, \$5,415.35; Lake Worth, \$3,709.42; Delray Beach, \$1,950.51; Pahokee, \$296.00; Belle Glade, \$672.88; Chosen, 12.00; Lake Harbor, \$28.00; Canal Point, \$192.51; Pelican Lake, \$6.00; South Bay, \$158.50; Greenacres City, \$33.00; Lantana, \$359.94; Boynton Beach, \$394.34; Boca Raton, \$276.07; Lake Park, \$146.18; Riviera Beach, \$590.75; Jupiter, \$135.86; Hypoluxo, \$41.00; Loxahatchee, \$16.00; Bean City, \$7.00; Bryant, \$8.00.

The Following nine towns have exceeded their total contributions for 1951; Lake Worth, Canal Point, Lantana, Boca Raton, Ri-

vierra Beach, Jupiter, Hypoluxo, Loxahatchee and Bean City. Mr. Bryant said these towns are to be congratulated for their awareness of the need for having a good Seal Sale which in turn means a better TB prevention program for the coming year.
